PRESS RELEASE

HORSES & DREAMS meets Denmark

Hof Kasselmann in Hagen a.T.W. • April 20 – 14, 2016

Danish “Superkids” to conquer Horses & Dreams

(Hagen a.T.W.) The annual Horses & Dreams-events are always accompanied by extraordinary show presentations that are typical for the host countries and that regularly cast their spell over the more than 65,000 visitors - every year anew. This year, the “Flying Superkids” from Aarhus in Denmark will present all their capabilities in a fascinating show, featuring gymnastics, acrobatics, dance, tumbling, singing and wild jumps on Friday and Saturday at “Horses & Dreams meets Denmark”.

The „Superkids“, formed from a gym group, is an internationally well-known and appreciated show group that has already travelled to more than 35 countries, performing in front of more than 100,000 people every year. Their next challenge will be to convince the sophisticated audience at Horses & Dreams – pampered the last years by fascinating show events such as the original “Beach Boys” from the US, the “Chinese National Circus” or the “Kremlin Equestrian Riding School” from Russia – only some of the unforgotten highlights at Horses & Dreams.

However, the fact that the „Superkids“ are quite normal Danish kids who only love one thing in their leisure time – to present their unique show – is the most truly impressive fact. No matter whether in the US, Thailand, Israel, Greenland or at the end of April 2016 at Horses & Dreams meets Denmark.

Enjoy first impressions of the “Flying Superkids” and click on www.flyingsuperkids.com/trailer.
